

Home Sweep Home Cleaning, LLC
Power Washing

Using our state-of-the-art kerosene-heated ultra high pressure trailer-mounted pressure was system, we provide cutting edge power washing to remove dirt, paint, oil, grease, mildew, stains, decals and finish from fences, decks, machinery, concrete, siding, pools, vehicles, basements, garages, driveways, sidewalks – anything you can imagine! The cleanest you can get, short of sand blasting. Then we can paint, stain, finish or treat the surface as needed. We use the highest quality deck, fence and concrete stains and sealers to ensure superior adhesion, penetration and longevity. If you want to extend the serviceable life of your wood, concrete and siding as long as possible, this is how you do it!

Thank you.
